

## ***2015 Tussey mOUntaiNBACK Previews: Profiles in Hillage***

### **Team: On Your MARC**

*Q: What made you decide to do the race? Have you done it before?*

A: None of us has run the race before, though we've all wanted to do it over the years!

*Q: Where are your teammates from – work, neighborhood, family, running community? What is the team size?*

A: We have a team of 4 from University Libraries IT. A few of us started talking about how much fun it would be to get a Libraries team together. One thing led to another and we had a team of 7, which has slowly dwindled to a hardcore team of 4!

*Q: How are you training?*

A: We each have been doing our own individual training on Tussey trails and elsewhere for this and other fall races. When we do get together, though, we train hard (see attached picture). We're looking forward to a great run and a fun day together at the Tussey Mountainback!
